U.S. DISTRICT JUDGE**

**DEFENDANTS' OBJECTIONS AND RESPONSES TO PLAINTIFFS'
"SECOND AMENDED NOTICE TO TAKE DEPOSITION OF BRUCE KAHN, M.D."**

Defendants Ethicon, Inc. and Johnson & Johnson (collectively, "Defendants") hereby respond and object to Plaintiffs' "Second Amended Notice to Take Deposition of Bruce Kahn, M.D." (the "Notice") and "Schedule A" to the same.

The responses and objections contained herein are made without in any way waiving or intending to waive—but on the contrary reserving and intending to reserve—the right at any time to revise, supplement, correct, or add to these objections and responses. Defendants note that no documents have been withheld from production on the basis of the objections set forth in this Response unless expressly stated.

**SPECIFIC OBJECTIONS AND RESPONSES TO REQUESTS TO PRODUCE –
"SCHEDULE A"**

1. A complete copy of deponent's current curriculum vitae.

RESPONSE: Defendants state that Dr. Kahn's CV was provided to Plaintiff with his expert report in this matter and was produced at his deposition.

2. Any and all documents, including consulting agreements, time sheets, invoices, time records, billing records which record or document the work performed, time spent or

charges made in connection with consulting related to studies, consulting work, cadaver labs, professional education training and any other work that has been compensated by defendants or expert fees charged to Defendant related to any female pelvic mesh product sold by Ethicon, Inc. for treatment of stress urinary incontinence or pelvic organ prolapse.

RESPONSE: Defendants object to this Request as overly broad and not relevant to any party's claim or defense and/or not proportional to the needs of the case. Defendants further object to the extent this Request seeks documents or information protected by the attorney work product doctrine and/or outside the scope of expert discovery permitted by the Federal Rules of Civil Procedure. Defendants state that a copy of Dr. Kahn's invoices for this matter have been provided.

3. Any and all documents, including time sheets, invoices, time records, billing records which record or document the work performed, time spent or charges made in connection with your expert opinions in this matter.

RESPONSE: Defendants object to this Request as overly broad. Defendants state that a copy of Dr. Kahn's invoices for this matter have been provided.

4. All correspondence, memoranda, emails and/or any other documentation reflecting communications (including written, electronic and/or oral) with any employees of Defendants related to any female pelvic mesh product sold by Ethicon, Inc. for treatment of stress urinary incontinence or pelvic organ prolapsed.

RESPONSE: Defendants object to this Request as overly broad, vague, ambiguous, and not relevant to any party's claim or defense and/or not proportional to the needs of the case. Defendants further object to the extent this Request seeks documents or information protected by the attorney work product doctrine and/or outside the scope of expert discovery permitted by the Federal Rules of Civil Procedure. Defendants also object to this Request on the grounds that it seeks the production of documents relating to pelvic mesh products that were not used by the Plaintiff and are not at issue in this case. To the extent there are responsive, properly

discoverable, non-privileged documents that are reasonably available, they have been or will be provided.

Respectfully submitted,
